

Instructions for "One-Time Membership."

The One-Time One-Day Membership is designed to encourage new skaters to participate in speedskating. An individual shall be eligible for a One-Time One-Day Membership in US Speedskating if he/she has never been a member of US Speedskating, has never tried speedskating and has never participated in speedskating events. The One-Time One-Day Membership can be purchased up to five (5) times with the skater filling out the proper form. US Speedskating is relying on the Association/Club to manage this program.

The process is as follows:

- 1) The skater completes the One-Time One Day Membership Form and submits form to Association/Club Officials.
- 2) The amount charged to the skater will be at the discretion of the Association/Club. The Association/Club may offer the One-Time One-Day Membership at no fee to the skater as well.
- 3) Association/Club Officials will submit the forms and \$1.00 fee for each skater to US Speedskating at the end of each month.
